Institution Nomination Form

1. Student's Contribution to Co-op – Provide specific examples on how the student has represented Co-op within their academic institution internally such as creating marketing / promotional materials, participating in networking / recruitment events, serving as an ambassador for the institution and department, or acting as a mentor to other Co-op students; and / or externally (such as creating / strengthening existing Co-op opportunities. (350 words max.)

2. Extracurricular Activities and Achievements – Provide specific examples of how the student demonstrates involvement outside of co-op internally on campus such as regular involvement in clubs, student government, or other academic / career focused events; and / or externally within the community (note that the definition of community is flexible and includes that which is closest to the individual) such as involvement with organizations, religious groups, sports and leadership events. (350 words max.)

3. Student Biography - Provide a short biography that will be used by EWO (press release, Social Media and/or website announcement of the winners) once the awards are granted. (150 words max.). Please attach to this application a high-resolution headshot of the student.
