Institution Nomination Form

1. Student's Contribution to WIL / EL – Provide specific examples on how the student(s) has represented WIL / EL within their academic institution internally such as creating marketing / promotional materials, participating in networking / recruitment events, serving as an ambassador for the institution and department, or acting as a mentor to other WIL / EL students; and / or externally (such as creating / strengthening existing WIL / EL opportunities. If you are submitting a group application, please provide an overview of how members of the group have been involved in contributing to WIL / EL. (350 words max)

2.Extracurricular Activities and Achievements – Provide specific examples of how the student(s) demonstrates involvement outside of WIL / EL internally on campus such as involvement in clubs, student government, or other academic / career focused events; and / or externally within the community (note that the definition of community is flexible and includes that which is closest to the individual). If you are submitting a group application, please provide an overview of how members of the group have been involved in contributing. (350 words max.)

3.Student Biography - Provide a short biography that will be used by EWO (press release, Social Media and/or website announcement of the winners) once the awards are granted. (150 words max.). Please attach to this application a high-resolution headshot of the student.
